ICAPA 2027

International Conference on Advances in Physics and Applications

$$i\hbar \frac{\partial \psi}{\partial t} = \hat{H}\psi$$

$$E = \hbar\omega$$

$$\Delta x \, \Delta p \geq \frac{\hbar}{2}$$

MARCH 26–27, 2027

SAFI • MOROCCO

Faculté des Sciences Appliquées de Safi
Université Cadi Ayyad • Conference Hall

EXPLORING PHYSICS. CONNECTING SCIENCE.

An international meeting for researchers, academics, engineers and graduate students.

- Quantum & Theoretical Physics
- Particles, Nuclear & Astrophysics
- Materials, Nanotechnology & Photonics
- Energy, Plasma & Sustainability
- Medical & Environmental Physics
- AI, Computing & Emerging Technologies

SCIENTIFIC PROGRAMME

Keynotes • Invited Talks • Oral Presentations
Poster Sessions • Research Collaboration

Conference languages: French & English

26 March, 09:00 – 27 March, 18:00 • Morocco local time
